ABOUT T.H.E. FARM

T.H.E. FARM is a private, 501(c)(3) non profit organization incorporated on September 4, 1996 and built with donations from individuals, businesses, and private charitable foundations. Although situated on the premises of Tewksbury Hospital, T.H.E. FARM is neither a part of the hospital nor a state agency and receives no state or federal funding.

T.H.E. FARM renovated the Old Dairy Barn that was no longer in use and had fallen into a state of disrepair. Our careful renovation preserved this historic structure while transforming the interior into a wheelchair-accessible therapeutic facility for our participants and a stable for our horses. The equine therapy program's stabling and pasture land use perpetuates the historic agricultural integrity of the site.

T.H.E. FARM offers a wide range of lesson-based programs conducted by PATH-accredited instructors. These include, but are not limited to Therapeutic Riding, Equine Assisted Therapy and Activities, Hippotherapy, Equine Facilitated Psychotherapy, and Equine Facilitated Learning. Our programs include mounted and unmounted horsemanship lessons for both children and adults with disabilities such as autism spectrum disorders, muscular dystrophy, cerebral palsy, Huntington's disease, emotional and learning disorders and numerous other disabilities.

T.H.E. FARM is a PATH International Center (Professional Association of Therapeutic Horsemanship International).

LIVE AUCTION

The Live Auction will begin at 8:30pm. When you checked in, you were issued a bidder card. As this number is associated with your name, and to eliminate confusion at check-out, please do not let anyone else use your bidder card.

Winning bidders may pay for and receive their items at the check-out table at the end of the evening.

All sales are final and there will be no exchanges or refund on items.
